

Bright Light Education Ltd Marking Service

At Bright Light Education, we have worked hard to create detailed and accurate answer schemes for many of the schools' English and maths papers, and consequently we are able to offer a marking service for 7+ and 11+ past papers.

- With English papers, as well as marking the paper in detail, we give personal feedback for how the child can improve their comprehension and creative writing skills.
- With maths papers, we are able to show methods for incorrect answers, as well as suggesting topics for further revision.

Fees:

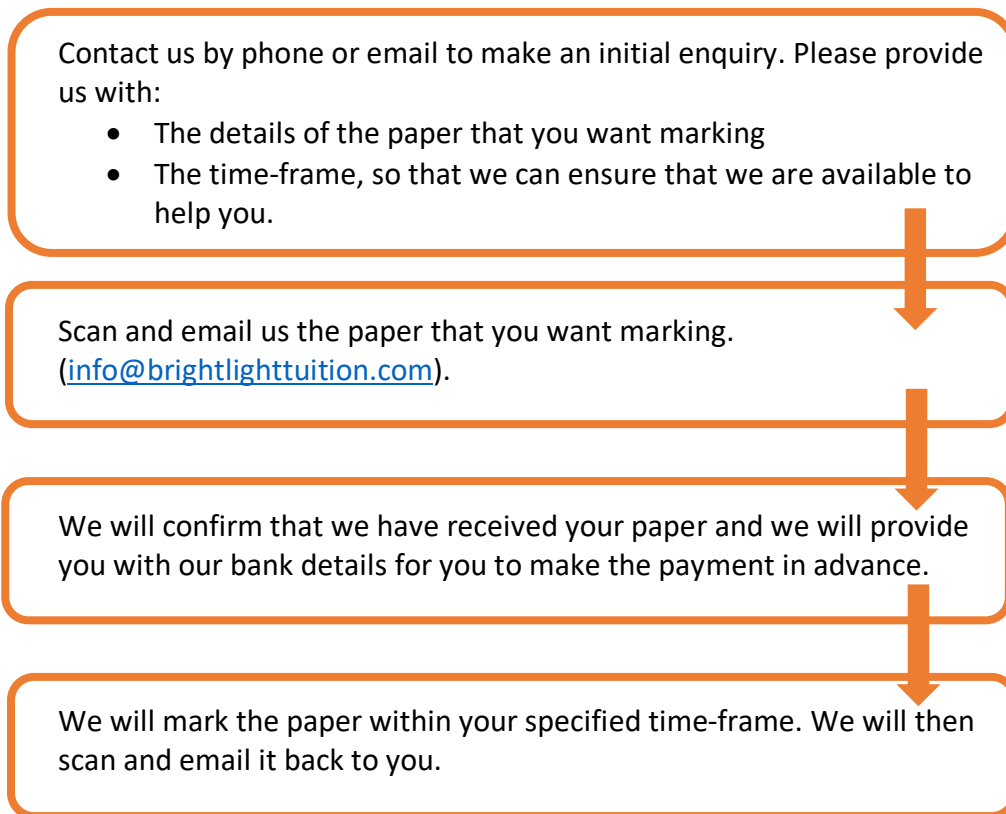

Marking English Paper (comprehension + creative writing): £25

Marking English Paper (multiple-choice comprehension + creative writing): £20

Marking Creative Writing section OR Comprehension section only: £15

Marking Maths Paper: £15

This is how the process works:

Please note that your paper will be marked by a qualified teacher who is highly experienced at marking Entrance Examination papers. They will not use the schools' marking schemes (as these are usually not made available) but will mark them using our own answer schemes, which we hope are closely aligned with the school answers. This is particularly the case for English papers, where some answers can be slightly subjective. Should you have any further questions, please do not hesitate to contact us.
